

Mario woke up at **8:00am**.
Show this time on the clock
face below.

Half an hour after Mario got
up he was playing basketball
with his brother in their
backyard.

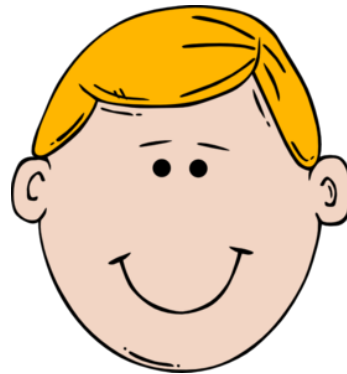

Mum took Mario to have a
haircut at **Alexei's Hair Salon**.

It took them **30 minutes** to get
there.

In **one quarter of an hour**
Mario's hair cut was done.
He looked really cool!

The way back home from
Alexei's Hair Salon took Mario
and mum **45 minutes** because
mum stopped chatting several
times.

6) After having his hair cut,
Mario got home just in time to
watch his favourite cartoons.

This starts at **five past 11** and
lasts for **half an hour**.
