

4 hours and 20 minutes after he woke up Mario laid the shaped sandwiches on the kitchen table for the rest of the family to enjoy.

He had prepared the shaped sandwiches himself.

It took Mario 20 minutes to prepare the shaped sandwiches.

Mario started to play a board game with his brother at **3:00pm**.

They spent **1 hour and 15 minutes** playing the board game.

15 minutes after stopping playing the board game, Mario and his family left home for the beach.

At **quarter past 5** in the afternoon they arrived at the beach.

They spent **2 hours less 10 minutes** at the beach.
