

## Instruction Card for 'Making Amounts Game'

1. Take a different Game Sheet each.

2. Take it in turns to throw the dice.

3. Look at the coin on the dice.

4. Take the matching coin from the pile in the centre.

5. Place the coin on any of the pictures on your Game Sheet.

6. More than one coin can be placed on any of the pictures to make the total amount.

7. The first player to finish all the amounts is the winner.
