

Year 2 Maths – Money - Toolkit Activities

Activity 3 – Let's spin the wheel

Activity Approach

- Group work

Resources

- Spinning wheel
- Euro Coins

Instructions

- Show the spinning wheel to the pupils.
- Divide the children into groups and give out coins.
- Take it in turns to spin the wheel.
- The group has to find the least number of coins to pay the object that the arrow is pointing at.
- Repeat the above steps until all the coins are used.

Year 2 Maths – Money - Toolkit Activities

Activity 4 – Buying and giving change

Activity Approach

- Whole class and pair work

Resources

- Plastic Euro Coins
- Objects with price labels
- Individual whiteboards and pens

Instructions

- Place the priced objects on the table.
- Ask a pupil to find the coins to match the price.
- If necessary, ask pupil to pay the object using the least number of coins.
- Record their coin choice on their whiteboards.
- Repeat the above steps.
- Pair up children and explain that one will be the shopper and the other one the buyer.
