

Year 2 Maths - Time - Toolkit Activities

Activity 1 - Let's play Bingo!!

Activity Approach

- Group Work

Resources

- Bingo Board Game showing time to the hour
- Bingo Cards
- Markers

Instructions

- Divide pupils into groups.
- Give a bingo board game showing clock faces on the hour to every group.
- Give matching cards illustrating these times.
- Turn all cards face down.
- A pupil turns over the cards one by one and shows it to the other students.
- The game continues until the first group of students completes the bingo card.
- Teacher checks the marked bingo board of each group.

Year 2 Maths - Time - Toolkit Activities

Activity 2 – Let's play Snap!!

Activity Approach

- Pair work

Resources

- Snap cards showing time to the hour/half hour

Instructions

- Divide pupils into pairs.
- Give a pair of Snap cards to every pair.
- Turn all cards face down individually.
- One pupil turns over two cards trying to match a clock face with the corresponding time card.
- If the cards match, the pupil removes the cards and keeps them.
- If the cards do not match, the cards are placed face down, and the next player takes a turn.
- The game continues until all cards are matched.
- The player with the most pairs wins.
