

## ***Year 2 Maths - Time - Toolkit Activities***

### ***Activity 3 - Let's play Dominoes!!***

#### **Activity Approach**

- Pair Work

#### **Resources**

- Domino cards showing time to the hour and time to the half past

#### **Instructions**

- Divide pupils into pairs.
- Give a set of domino cards to each pair.
- Place all of the dominoes in a pile face down.
- Students in turn play Time Dominoes.
- The first pupil to play all of his/her dominoes wins.

## ***Year 2 Maths - Time - Toolkit Activities***

### ***Activity 4 – Play Time Trial!***

#### **Activity Approach**

- Group work

#### **Resources**

- Time - Board Game
- Dice
- Analogue Clock

#### **Instructions**

- Divide pupils into groups.
- Distribute an analogue clock to every group.
- Give a game board with a patch of clocks from Start to Finish to every group.
- Each player rolls the dice and moves forward to land on a clock.
- The pupil must read the time or show the corresponding time on the given analogue clock.
- If the time is incorrectly read, the move is cancelled.
- Continue playing the game until all players have reached the end.
