

Maths Journal

This year you will be using a Maths journal to keep your work organised. Your journal will be used as a personalised reference book so you must make sure that you bring it school every day. If you do not have your journal you can take notes on a piece of paper and transfer them to you journal later.

Maths Journal Rules:

- Create a cover page that represents you.
- Create a Table of contents and keep it current at all times.
- Write neatly so that you can use your notebook as a visual study tool. You may use coloured pencils and pens.
- Number all the pages in your journal.
- Title every page.
- If you are absent it is your responsibility to use the Teacher's Notebook to catch up on anything you missed.
- Keep it organised at all times.
