

# Building a wooden tower

## What you need:

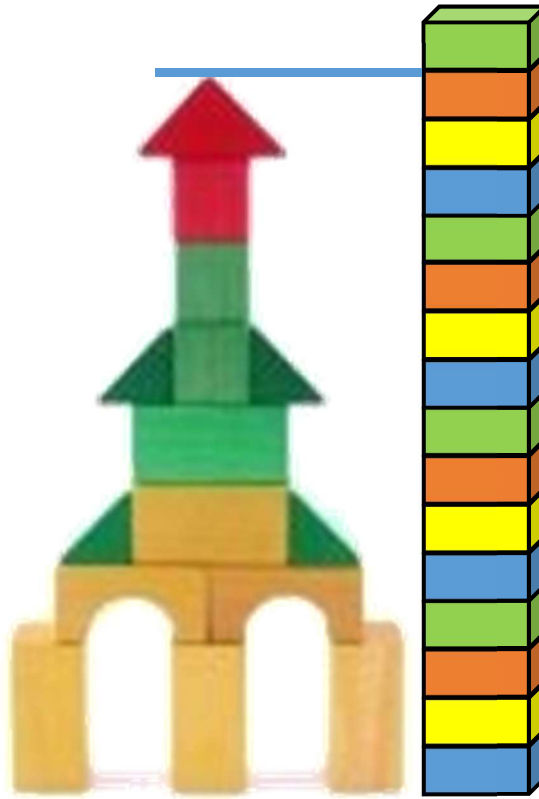

- Lego Duplo blocks
- A set of wooden blocks
- Worksheet

## Activity:

1. Build a tall tower with the Lego Duplo blocks.
2. Divide the wooden blocks equally between 2 students.
3. Ask both students to build a tall wooden tower, using the blocks provided.
4. Give out the worksheet.

# Building a wooden tower

The above wooden tower is \_\_\_\_\_ Lego Duplo blocks high.

My wooden tower is \_\_\_\_\_ Lego Duplo blocks high.

My tower is (**taller, shorter**) than the tower shown above.

My friend's wooden tower is \_\_\_\_\_ Lego Duplo blocks high.

The **tallest** wooden tower is \_\_\_\_\_ Lego Duplo blocks high.
