

# Compare the Length of Colouring Pencils

1. Choose **6** colouring pencils.
2. Place these on the **starting line** of the worksheet.
3. Put in order **from shortest to longest** on the squared strips.
4. **Mark and colour** the length of each colouring pencil.
5. **Record** the length of each colouring pencil by **counting** the number of squares.
6. Write the answer below the strips.
