

# Dominoes Sort – In Pairs

Resources –

1 set of dominoes

Activity -

Take a pile of dominoes and sort them into three groups:

Dominoes that have a total of less than 7.

Dominoes that have a total of 7.

Dominoes that have a total of more than 7.

Put the dominoes in the correct boxes.

**Now -**

Find other ways that you can sort the dominoes and record your results.
