

Dream house – Investigation

House of Your Dreams Contest

Students are invited to enter the House of Your Dreams Contest. Just follow these rules to enter:

1. Draw a floor plan of the house of your dreams. Label each room and give its dimensions.
2. Write a brief description that gives the purpose of each room and says what would be in it.
3. Give the square metres of each room and the total square metres of the house.

The winner will get his or her dream house constructed.
