

Workshop 1: Tangrams

Use the tangram pattern to complete the following questions.

1. Use two tangram pieces to make a triangle.
2. Use three tangram pieces to make a triangle.
3. Use four tangram pieces to make a triangle.
4. Use five tangram pieces to make a triangle.
5. Put two or more of the tangram pieces together to make others shapes.
6. Work with a partner to sort the tangram pieces using your own classification or rules.
