

Addition

- Look at the photo below.
- What is happening?

Resources

- Reused paper
- Marker
- Bottle caps

- Now make your own addition sentences, in the same way.
- The template of the game is in the second page but it can also be easily recreated with a paper and a marker on a reused paper.

--	--

$\bigcirc + \bigcirc = \bigcirc$

Domino Parking Lots

Resources

- Reused paper
- Marker

- Give the children a set of regular dominoes and a domino parking mat.
- Each child selects a domino, counts the total number of dots and places the domino in that parking spot.
- Dominoes with the same total number of dots shall be stacked on top of each other in the parking spot.
- The template of the game is in the page below but it can also be easily drawn with a paper and a marker on a reused paper.
- You may wish to follow the link below for diy dominoes
