

Heaper 6

Here are **six numbers** in a **triangle form**.

They are arranged so that each number above the bottom row is the sum of the two numbers upon which it sits.

Our challenge

See if you can place similarly each set of six numbers below:

2, 5, 7, 12, 14, 21

3, 7, 10, 11, 14, 24

5, 10, 15, 16, 21, 36

3, 5, 10, 13, 15, 28

3, 6, 9, 14, 20, 29

2, 6, 8, 17, 23, 31

One last set:

19, 26, 32, 51, 58, 109
