

Planning a Time-table

Write the timetable for a hockey tournament.
 The first match starts at 14:00 (2:00 p.m.).
Timetable can be worked out using either the 24-hr clock or the 12-hr clock.

Each game is 25 minutes long.
 Allow 10 minutes between each game.
 Write the start and finish times for 10 games

| <u>Game</u> | <u>Start</u> | <u>Finish</u> |
|-------------|-------------------|---------------|
| 1 | 14:00 (2:00 p.m.) | |
