Ingredients for 1 sandwich:	Ingredients for 2 sandwiches:
2 slices bread	<input type="checkbox"/> slices bread
1 slice ham	<input type="checkbox"/> slices ham
1 slice cheese	<input type="checkbox"/> slices cheese
3 teaspoons butter	<input type="checkbox"/> teaspoons butter
4 slices tomato	<input type="checkbox"/> slices tomato
4 slices cucumber	<input type="checkbox"/> slices cucumber
6 corn kernels	<input type="checkbox"/> corn kernels
8 olive slices	<input type="checkbox"/> olive slices
1 carrot peeled	<input type="checkbox"/> carrots peeled
5 lettuce leaves	<input type="checkbox"/> lettuce leaves

Task 3: Doubling with Mirrors

Materials Needed:

Mirrors

Story Cut-out strips/4
stickers/sequins/counters or
beads

Blank paper (approx A5 size)

Instructions:

Fold the paper along the shortest side.

Place a number of sequins onto one side of the paper.

Place the mirror on the fold facing the sequins to reflect them to produce their double.

Count the total.

Express result in an oral or written manner.

Task 4: Double the Dots

Materials Needed:

Paint and paintbrushes

Strips of blank paper

Instructions:

Fold the strips of paper along the shortest side.

Paint dots on one side of the strip.

Fold the paper so that the dots print onto the other side and each dot has a 'friend'.

Count the total number of dots.

Express result in an oral or written manner.
