<https://www.youtube.com/watch?v=aewbOIGXv6s>

Geppetto is a woodcarver. He makes a puppet and names it Pinocchio. Before falling asleep, Geppetto makes a wish that Pinocchio come to life. During the night, a fairy grants Geppetto's wish. The next day, Geppetto sends Pinocchio to school for the first time. Pinocchio lies and goes to the circus instead of school. One day a whale swallows Geppetto. Pinocchio saves Geppetto and makes a promise that he will never lie again. The fairy turns Pinocchio into a real boy.

1. Look at the clock face below. At what time does it happen?
