Julian is running some errands.

He goes to the baker to get some bread.

He goes to the greengrocer for fruit.

And finally he needs to get the newspaper from the stationary.

At the shops he finds this sign at the door.

Pay with exact
change.

Thank you and Stay safe

Julian has these coins in the wallet;

Help Julian pay with exact change in all three shops.

Shop	Bill	Coins used
Baker	86c	
Greengrocer	€4.69	
Stationary	€1	

Does he have any coins left in his wallet? Yes/No

How do you know?

How many coins are left?

How much money left in his wallet?
