

Building and Using a Geoboard! Year 1 and 2

Part 2

Tom created a picture of a house.

He uses one triangle and two rectangles to make the house.

Task 5

Create a different house.

What shapes did you make? How many of each shape?

TASK 6 Create

Create another picture of your choice on your geoboard.

Use different shapes.

Describe your picture.

How many squares?

How many rectangles?

How many triangles?

How many shapes altogether?

You may wish to send your pictures to melanie.casha.sammut@ilearn.edu.mt
