9. The 100th day of the year falls in April.

Which day/date is it this year?

Thursday 9th April 2020

10. Does the 100th day of the year always fall on the same date?

YES

NO

Why?

In a leap year, it falls on the 9th April but in an ordinary year it fall on the 10th April because there is one less day in February.
