Why is 2020 a special year?

- 2020 is a new decade. A decade is a period of 10 years.
- People born on the 29th February can celebrate their birthday on the actual day.
- 2020 is like 1818 or 1919. The first 2 digits match the second 2-digits. This happens only once in a century. (A century is hundred years).
- Many dates of official and non-official holidays will fall on either Friday, Saturday, Sunday or Monday.
