

Hands on Half!

Task 1

Let's read this book!

<https://www.youtube.com/watch?v=RYMD8SFreyI>

(Even though fraction notation is seen in this book, representations of fractions are only introduced at year 3 level).

Task 2

Create your favourite pizza:

Step 1: Use a coloured cardboard to draw a circle and cut it.

Step 2: Colour your favourite pizza.

Step 3: Fold it in **half** and cut along the fold.

Step 4: How many pieces do you have now?

Task 3

Let's make orange juice!

Step 1: Get 2 oranges and squeeze them in a juicer.

Step 2: Share the squeezed juice into 2 glasses.

Step 3: Each glass must have the same amount of juice.

Step 4: You have split the juice in **half!**

How many oranges are there in 1 glass?

Task 4

Now make your own drawing (or you may wish to take a photo) to show **half!** You may wish to be creative as much as you want!

You may wish to send some photos of Task 2 and Task 4 to
