

## The Wacky Maths Quizzes

The Primary Maths Support Team (DLAP – MEDE) has created a set of quizzes using the Quizizz platform. These quizzes are all aligned to the Learning Outcomes Framework (Year 3 and 4) and the Primary Mathematics Syllabus (Year 5 and 6). These online quizzes can be used in different ways, for assessment purposes (even as a **diagnostic tool**), to **revise** and to **consolidate** work done.

### Quizzes aligned to Year 3 Learning Outcomes
